COMPETITIONS FOR PRIZES OFFERED BY ACADEMY OF SCIENCES USSR IN 1949

The Department of Physicomathematical Sciences announces competitions in 1949 for the following prizes of the Academy of Sciences USSR:

1. Prize imeni L. I. Mandel'shtam of 20,000 rubles for the best work in physics, completed in 1947 - 1949. Entries are accepted until 1 October 1949.

2. Prize imeni F. A. Bredikhin of 10,000 rubles for distinguished work in astronomy, completed during 1948 - 1949. Entries are accepted until 1 October 1949.

3. Prize imeni N. G. Chebotarev of 10,000 rubles for the best work in mathematics, completed in 1947 - 1949. Entries are accepted until 1 September 1949. Entries are to be sent to the Department of Physicomathematical Sciences, Academy of Sciences USSR.

The prizes will be conferred by the Presidium of the Academy of Sciences USSR to competing Soviet citizens, authors' collectives, and Soviet scientific instructions.

Works entered in competition for the above-mentioned prizes may be submitted to scientific societies, scientific and research institutes, universities and colleges, departments, social organizations, and individuals.

Entries must be in Russian, in three copies, typed or printed, with the inscription "In competition for the prize imeni ...."

The entries must be accompanied by a short biographical sketch of the author, and an enumeration of his principal scientific works and inventions.

Awards will be made sometime early in 1950.

The Department of Physicomathematical Sciences further announces that entries are still being accepted in competition (announced in 1948) for two prizes imeni N. I. Lobachevskiy, the great Russian scholar, for the best work in geometry (preferably non-Euclidean). Amount of the prizes: 25,000 rubles (in Soviet or foreign currency) and 15,000 rubles (in Soviet currency). Works in competition for the first prize of 25,000 rubles may be in any language irrespective of the nationality or citizenship of the author. The second prize of 15,000 rubles will be awarded only to a Soviet author.

Works in competition for the prizes imeni N. I. Lobachevskiy may be submitted to scientific institutions, societies, universities and colleges, organizations, and individuals.

Entries for the N. I. Lobachevskiy prizes in manuscript (typewritten) or published in the press in 1945, 1946, 1947, 1948, 1949 are to be submitted in three copies to the Department of Physicomathematical Sciences, Academy of Sciences USSR.

Entries will not be accepted later than 23 February 1950. The N. I. Lobachevskiy prizes will be awarded by the Presidium of the Academy of Sciences USSR about 23 February 1951.
